## **COUNCIL MEMBER MARK WEPRIN OPENS SENIOR KEY LUCK CLUB**

Council Member Mark Weprin attended the ribbon cutting of Bayside Senior Center’s Senior Key Luck Club, a Saturday program promoting cultural activities where all seniors in the community are welcome to participate. The Key Luck Club focuses on Chinese movies, karaoke, dancing, health and wellness presentations, and Chinese calligraphy. Cantonese, Mandarin and English are all spoken; the club is a great opportunity for those interested in language practice.

“The Senior Key Luck Club provides seniors the opportunity to participate in a wonderful array of activities right here in their own neighborhood,” said Council Member Mark Weprin.

Programs like the Senior Key Luck Club provide the seniors of Eastern Queens with the chance to take part in diverse activities that keep them active and enhance cultural understanding.
